Intro --: C G Dm F 8x avec solo

**C** **G**  
"Show me how you do that trick  
**Dm** **F**  
The one that makes me scream" she said  
**C** **G**  
"The one that makes me laugh" she said  
**Dm** **F**  
And threw her arms around my neck  
**C** **G**  
"Show me how you do it  
**Dm** **F**  
And I promise you I promise that  
**C** **G**  
I'll run away with you  
**Dm** **F**  
I'll run away with you"

Interlude -x4-: C G Dm F

**C** **G**  
Spinning on that dizzy edge  
**Dm** **F**  
I kissed her face and kissed her head  
**C** **G**  
And dreamed of all the different ways  
**Dm** **F**  
I had to make her glow  
**C** **G**  
"Why are you so far away?" she said  
**Dm** **F**  
"Why won't you ever know that I'm  
**C** **G**  
in love with you  
**Dm** **F**  
That I'm in love with you"

Version duo : Elle Lui

V3

refrain

**Am...** **Bb...**  
You.... Soft and only  
**Am...** **Bb...**  
You.... Lost and lonely  
**Am...** **Bb...**  
You..... Strange as angels  
**F** **F**  
Dancing in the deepest oceans  
**F** **G**  
Twisting in the water  
(C)  
You're just like a dream

Interlude - C G Dm F x4

**C** **G**  
Daylight licked me into shape  
**Dm** **F**  
I must have been asleep for days  
**C** **G**  
And moving lips to breathe her name  
**Dm** **F**  
I opened up my eyes  
**C** **G**  
And found myself alone alone  
**Dm** **F**  
Alone above a raging sea  
**C** **G**  
That stole the only girl I loved  
**Dm** **F**  
And drowned her deep inside of me

refrain

**Am** **Bb**  
You.... Soft and only  
**Am** **Bb**  
You.... Lost and lonely  
**Am** **Bb** **F**  
You... Just like heaven
