Never know how much I love you, never know how much I care

When you put your arms around me, I get a **fever that's so hard** to bear

You give me fever

when you kiss me, fever when you hold me tight

Fever - in the the morning, **fever all through the night.**

Sun lights up the daytime, moon lights up the night

I light up when you call my name, and you **know I'm gonna treat you** right

You give me fever

when you kiss me, fever when you hold me tight

Fever - in the the morning, **fever all through the** night.

Everybody's got the fever, that is something you all know

Fever isn't such a new thing, **fever started long ago.**

Now you've listened to my story, here's the point I have made:

Chicks were born to give you fever, be it **Fahrenheit or Centigrade**

They give you fever

when you kiss them, fever if you live and learn

Fever - till you sizzle, **what a lovely way to** burn.

What a lovely way to burn.

What a lovely way to burn.
