Nirvana tabs

Come As You Are bass tab

Come As You Are, Nirvana
=====

This is the btab to "Come As You Are" by Nirvana. It's an easy tab and I'm suprised no one has posted it...oh well...here it is.

G ----- This is the verse part. Play it however
D ----- many times your supposed to.
A -----0---0-----2---2-
E -0-0-1-2---2---2-2-1-0---0---

G ----- This is the "Memories Yeah" chorus.
D ----- Play it however many X's your supposed
A -----0-0-0-0-0----- to play it. The tempo isn't tabbed out
E -2-2-2-2-2-3-----3----- to scale but you can figure it out.

G ----- This is the "swear I..gun" chorus.
D -----0-0-0-0-0----- Play it however many X's your supposed to.
A -2-2-2-2-2-3-----3-----
E -----

Play the verse part during the guitar solo. That's it. No G-string needed.
