

- Intro : RIFF BARYTON + TENOR x 2

**BASS ONLY**

The club isn't the best place to find a lover So the bar is where I go\_  
Me and my friends at the table doing shots Drinking fast and then we talk slow\_  
Come over and start up a conversation with just me And trust me I'll give it a chance now  
 Take my hand, stop, put Van the Man on the jukebox  
 And then we start to dance, and now I'm singing like

**BARY. TENOR**

Girl, you know I want your love Your love was handmade for somebody like me  
 Come on now, follow my lead I may be crazy, don't mind me  
 Say, boy, let's not talk too much Grab on my waist and put that body on me  
 Come on now, follow my lead Come, come on now, follow my lead

**STRUM**

\_ I'm in love with the shape of you We push and pull like a magnet do  
 Although my heart is falling too I'm in love with your body  
 And last night you were in my room And now my bedsheets smell like you  
 Every day discovering something brand new I'm in love with your body

**ALTO SOPRAN.**

Oh—I—oh—I—oh—I—oh—I I'm in love with your body **x3**  
 Every day discovering something brand new I'm in love with the shape of you

**BASS ONLY**

One week in we let the story begin We're going out on our first date  
 You and me are thrifty, so go all you can eat Fill up your bag and I fill up a plate  
 We talk for hours and hours about the sweet and the sour And how your family is doing okay \_  
 Leave and get in a taxi, then kiss in the backseat  
 Tell the driver make the radio play, and I'm singing like
