 I remember way back then, when everything was true, and when,
Gm                                        Dm              Fm
 We would have such a very good time,   such a fine time,      such a happy time.
    C                                                  Gm
 And I remember how we'd play, simply waste the day away, then we'd say
                          Dm           Fm
 Nothing would come be-tween us,  two dreamers.
