

3 R's – Jack Johnson (2006)

TONALITE : G BPM 99 STRUM [x . B . x . B .]

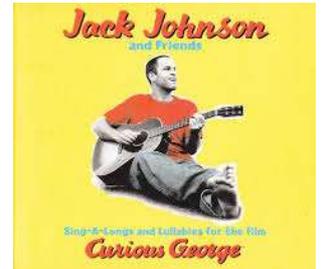

INTRO : drums x 3 puis drums + riff x 4

G C G C G C G C
 Three It's a magic number, yes it is its a magic number

G C G C
 Because two times three is **six** and three times six is **eighteen**

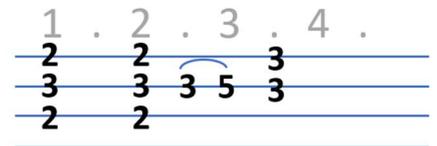

G C G C
 and the eighteenth letter in the alphabet is **R**

G C G C
 we got three R's were gonna talk about today

CHORUS : We gotta learn to **reduce re-use recycle**

G C
reduce reuse recycle x 3

[No chord]

Well if you are going to the market to buy some juice
 You gotta bring ya own bags and you'll learn to reduce your waste _ _
 ...we gotta learn to reduce _ _ _
 And if your brother or your sister's got some cool clothes you could try them on
 before you buy some more of those... re-use _ _ ... we gotta learn to re-use _ _ _
 and if the first two R's don't work out and if you gotta make some trash well don't
 throw it out ... recycle _ _ ... we gotta learn to recycle _ _

• **CHORUS**

G C G C
 Because three It's a magic number
 G C G
 Yes it is its a magic... [roulement de batterie x 8 tps] ...number !

[solo de piano x 15 mesures]

G C G C G C G
 Three... Three... Three... **Three !**

six, nine, twelve, fifteen, **Three !**
 eighteen, twenty one, twenty four, twenty seven, **Three !**
 thirty, thirty three, thirty six **Three !**
 thirty three, thirty, twenty seven, **Three !**
 twenty four, twenty one, eighteen, **Three !** G
 fifteen, twelve, nine, six and **three !** ... is a magic number.
